The screenshot shows the Runkeeper mobile app interface. At the top is a blue navigation bar with the Runkeeper logo, 'FEED', 'ME', 'LOG', 'UPGRADE Train Smarter', a search icon, and a settings icon. Below the navigation bar is a world map. Underneath the map is a 'Make this a Route' button. The main content area is divided into several sections: 'TOTAL CLIMB' with a mountain icon and the number '0'; 'ACTIVITY PHOTOS'; a note section with the text 'This user has not entered a note' and a 'Like' button; a comment section with a profile picture, a text input field, and a 'Post Comment' button; a 'Splits' table with columns for 'NAME', 'PACE', and 'CLIMB'; a 'Completed With:' section with the text 'No one else' and a '+ Add Friends' button; and an 'Export' section with links for 'GPX' and 'Google Earth'.

LE FICHER DE VOTRE COURSE « .GPX » EST ALORS ENREGISTRÉ SUR VOTRE PC.
